

Contractors

Our Contractor's product line works very closely with our other lines, Property, Excess, and Builder's Risk to meet the special needs of contracting risks.

Target Classes

Appetite consists of two types of risks:

Annual practice policies for general and artisan contractors rated based upon gross receipts and payroll. These policies are typically for smaller contractors. Includes:

- o Residential General Contractors
- o Commercial General Contractors
- o Artisans such as Carpenters, Roofers, Demolition, Excavators and many others.

Project Specific polices for large scale projects including infrastructure projects. (\$50,000 minimum premium for projects, \$175,000 minimum premium for Wrap Policies

- o Limits on select risks up to \$5,000,000 with the possible availability of higher limits through our Umbrella facility.

Maximum Limits of Liability - \$25,000,000
Minimum Premium - Varies by class
